

London County Council.

The County Secondary School, Peckham,

Peckham Road, S.E. 15.

Head Mistress:
Miss M. KNIGHT,
M.A. (Cantab.)

October 19th 1927.

Winifred Russell has been a pupil in this school since

October 1924, when she entered with a Free Place gained in a competitive examination.

She has worked steadily and shown intelligence and interest.

It is her ambition to qualify as a teacher; her bright and

pleasant manner, common sense and good principles

should go far to fit her for that career, + she can be relied upon to work hard.

Her Gymnastics & Games are

good, she is Gymnastic Captain
in her form and a Section
Leader, & shows herself capable
& helpful.

M. Knight.
