Welcome to the INTERACTIVE family history guide to past proprietors of Stonehouse. This additional research guide highlights three particular families with connections to Stonehouse; the Douglasses, the Lockhart’s and the Hamilton’s. Although this guide does not include all past proprietors, it does provide the reader with a detailed account of some of the more prominent families associated with the parish, as well as encouraging personal family history research.

The contents of this guide can be accessed by clicking on the menu bar to the left. If you wish to listen to MUSIC while you browse, click on the lower right corner of the page.
